To Whom It May Concern:

On behalf of the community that we serve, thank you so much for your outstanding efforts in helping to collect close to 60,000 pounds of food! Thanks to your amazing support, we were able to surpass our spring food drive goal of 500,000 pounds.

It's only with help from concerned community neighbours, such as you, that Daily Bread can pursue the battle against hunger and poverty in Toronto. There are over 75,000 people in the Greater Toronto Area who rely on a food bank every month; over 38% of these people in need are children. As a friend and supporter of Daily Bread, your efforts have assisted many in our community put food on the table.

This year's efforts and contributions of tenants, landlords, organizers, and other volunteers has once again made a huge difference in the lives of those struggling with hunger across Ontario and in the GTA.

Thank you so much for your participation in this year's 4th annual apartment food drive.

Sincerely,

Gail Nyberg
Executive Director
